Unlock Your Potential – Delve Deeper, Go Within

~ *Heal Yourself – Help Heal Others* ~

You Asked and Now it is Given. Join Dr Paul Canali, Jim Fazio, LMT, CSI, UTP, and Barbara Lempereur, BS, UTP for a weekend of lecture, discussion, more demonstrations, more hands-on, and more individual and group instructions for **beginners, intermediate, and advance levels**. **Private instructions will be given in a private room. There will be a special experiential on how to use more sensory processing tools and sounds and frequencies in treatment.**

It is not only important for ourselves and our healing journey as healthcare practitioners, healers, and seekers; it is essential for working with deeper wounds, life traumas, and issues that may be a core of most dis-eases.

These retreats are not only for individuals, but also for healthcare practitioners, healers, trainers, and instructors from all disciplines.

This **2-Day Weekend Retreat** is part of a series of healing education and understanding that encourages us to explore deeper:

- Our individual Healing Process. Wherever you are on your journey and no matter what chaos and problems you have, discover the innate process of healing and transformation within you.
- Learn to pause, reflect, and focus on your true Self to rediscover who you are and experience lasting inner peace.
- Develop connections with fellow seekers who through loving encouragement and thoughtful discussion. will help support you on your journey.

In this healing retreat, you will learn:

- How Unified Therapy™ principles are applied and how to use any technique or modality to activate systemic healing.
- The secrets to whole body & brain healing and the new model for ending pain, PTSD, anxiety, and depression.
- New breakthrough tools to boost your effectiveness and results in your practice.
- How to incorporate these principles with your friends, family, group settings and in your own life.
- How to read the signs of ANS dysregulation and activate the Homeostatic Balancing Reflexes™.
- About the body~brain and the Autonomic Nervous System (ANS) and how it relates to growth and healing.
- Avoid Burn Out Syndrome and Compassion Fatigue.
- Help heal yourself to have more happiness and health in your own life.

Instructors

Dr Paul J Canali:

Dr Paul Canali is a true pioneer in brain body medicine. He is considered to be one of the most experienced Physician Healers alive today. His discovery of the Homeostatic Healing Reflex and a Unified Theory of Healing Therapies has proven to be the most effective tool for healing toxic stress, trauma, and chronic pain.

Jim Fazio, LMT, CSI, UTP:

Jim is a multi-disciplinary Neuromuscular Therapist who has been in private practice for over 25 years. A serious seeker, he represents a rare breed of therapists that addresses the biopsychosocial components of neuromuscular pain, trauma, and anxiety and supports those that are on the spiritual quest.

Jim has a wealth of clinical experience in a variety of medical and fitness settings and brings both personal experience and clinical knowledge to his work as a Unified Therapy™ Practitioner. www.jimfazioib.com

Barbara Lempereur, BS, UTP:

Barbara Lempereur brings over 20 years of healing experience as a Reiki Master, Yuen Energetics practitioner, and Unified Therapy™ Instructor and Practitioner. She graduated Magna Cum Laude from Kaplan University with a Bachelor of Science degree in Psychology.

Barbara is passionate about helping people to heal holistically by identifying the mind-body connection. A devoted student of life, she is always learning new ways to heal, connect, and rebalance. Barbara's Unified Therapy™ practice is located in Beaufort, SC and she can be reached at blempereur@msn.com or 305-401-2914.
